The Coastal Shagger

Dear Shaggers,

Ho! Ho! Ho-ly Cow!! Can you believe it is the Christmas Season already? Before you know it, it will be New Year's. Where has the year gone? I sincerely hope 2011 has been a good year for you and yours. It has been a wonderful year for the Sellers sons, Jason and Kevin.

Coastal Shag Club finishes up the year this weekend with one of the legends of Ocean Drive, DJ Jimmy Buffkin. In addition, Santa will be bringing us an early Christmas present in the form of honorary club members, Lesa Hudson and Rick Strickland. 2011 has been a year of great dances, great DJs, incredible guest performances and some unbelievable feasts. With respect to the guest performances, I think it is a testament to Coastal Shag Club and its members that these performers would take time out of their schedules to come and entertain us. The end of the year brings decision-making time with regard to the organizations CSC will be donating our surplus monies to as we have done since our inception. The pot is not as full as it has been in the past and the list of recipients will need to be pared down. I will report to the club when the executive board has determined where the donations will be made.

It is my hope that all who read this newsletter will be able to attend this month's dance. The reality I know is that many of you will be traveling to other parts of the country to be with family and friends for Christmas. Please travel safely and have a wonderful Christmas Holiday!!

Gary

OK Shaggers the WAIT IS ALMOST OVER!

The most asked question in the shag/beach music world this year has been when are Ray and Joey going to be back on the air again?

Well, we have the answer... That's right! Ray Scott and Joey Warren are going to be together again on Internet Radio www.YourBeachMusic.com.

You will hear your favorite music soon. Before you know it, Ray and Joey will have daily shows. Check out our website daily. It's all happening soon!!!

You can also check us out on Facebook to view or add comments about our new Internet Radio endeavor for beach music.
